

WOMAN'S DEATH LAID TO DOCTOR

Sanitarium Heads Arrested
After Former D. C. Girl
Tells of Operation.

(Special to Washington Herald.)
Martinsburg, W. Va., Sept. 11.—Following the death of Mrs. George M. Bowers, Jr., daughter-in-law of Representative George M. Bowers, at a hospital here, Dr. Virginia McCune Rossa and her husband, Dr. Kesmet Rossa, proprietors of a local sanitarium, have been arrested.

They were released on \$5,000 bonds today for a hearing next Thursday.

Mrs. Bowers was a daughter of the late Capt. Vincent Loomis Adams of Washington. During the war she acted as a private secretary to Representative Bowers at the capital, and while serving in this capacity met his son, then in the army.

They were married after his discharge and moved to Martinsburg, where they started farming. It is claimed that Mrs. Bowers entered the hospital on her own volition and submitted to an operation. Her condition became so serious that it was necessary to remove her to the Kings Daughters Hospital at Martinsburg, where she died.

A few hours before her death she made a statement and Prosecuting Attorney Allen B. Noll started an investigation which resulted in the arrests today.

ARTILLERYFIRE STOPS RIOTERS

Trieste Troops Kill 4,
Wound 15, When Strik-
ers Attack.

(By United Press.)

Trieste, Sept. 11.—Government troops employed artillery today to quell rioting by workmen and Socialists. Two shots were fired, killing four and wounding fifteen. Striking workmen barricaded themselves in the San Giacomo district and opened fire on the royal guards. They were dispersed by artillery.

The Slav element played the leading role in the riots. The streets were filled with soldiers, who pitched their tents in the parks.

The Rome government was further handicapped by an order from the railway men's union calling for stoppage of all troop trains.

Premier Guarded on Trip.

Aix-Les-Bains, Sept. 11.—Owing to the sudden grave turn in the Italian troubles, the French police here this afternoon cancelled the official reception planned for the arrival of Premier Giolitti of Italy, who journeyed here for a conference with Premier Millerand. The guards at the railway station were reinforced and the time of the premier's arrival surrounded with the greatest secrecy.

One of the most important ingredients of nature for the hair is genuine bear oil. There are other oils prepared from animal sources, but none so good as bear oil. It cures dandruff, keeps the scalp cool, and prevents the hair from falling out. It is a secret known only to a few. Get a bottle of BEAR OIL at any drug store, or send 15 cents to J. B.
